

Perfect solutions for waste management

SHEETAL STORY

Sheetal, one of the leading brands in India is synonymous with trust and quality. It is a CRISIL rated company and holds an ISO 9001:2008, ISI (BIS), MSME & NSIC certification. Not just this, Sheetal also prides itself on being a registered vendor of DGS & D and Indian Railways.

Trusted by millions across the country for its superior quality products, Sheetal aims at providing more products that reinforce its brand promise - "A Timeless Bond". After a humble beginning in 1989, Sheetal began expanding its horizons with the portfolio of innovative products. Soon it became an industry leader with its commitment to quality for making the lives of people more convenient.

One of Sheetal's star category products are Sheetal Dustbins. With meticulous attention to details and stringent quality control measures, there is an extensive range of dustbins in various shapes & sizes.

SHEETAL DUSTBINS

The importance of cleanliness cannot be ignored in individual as well as communal life. On one hand it is an important factor for human health, on the other hand it is essential for environmental development. By adopting a clean and hygienic lifestyle, a valuable amount can also be saved where health issues are concerned. A clean and healthy life helps in refining the culture of a society and reflects in every aspect of life.

Dustbins play a very important role in all above responsibilities. Choosing the correct bin & using it responsibly can benefit the whole environment. We at Sheetal, completely understand this & offer a huge range of dustbins.

Our range go from 10 ltrs to 1200 ltrs. From pedal operated or simple bins to larger and more complex waste bins, Sheetal has a solution for all. Made from UV stabilized plastic & stainless steel, Sheetal bins are a leader in their sector.

The extensive range of Sheetal bins include kitchen and domestic bins, roadside bins, mobile bins, bio medical waste segregation bins, classic bins, corner bins, foot operated and push & drop bins, paddle operated spittoons, planter bins, pyramid bins, maruti double pot bins, jumbo 1200 ltr. bins, flash bins and many more.

Along with developing a massive range of waste bins, Sheetal have also become the partner of choice for the Municipal Corporation of many cities and towns.

DUSTBINS RANGE

SHEETAL BIO MEDICAL BINS & TROLLEYS

We offer one of the widest range of Bio Medical Waste Bins in India. Made with superior quality plastic (LLDP), these bins are suitable for hospitals, clinics, laboratories and medical rooms. These bins are specifically designed & color coded so that the waste separation is easier and free of health risks. They come in multiple size, shape and combinations to fulfill any need that may arise.
